

Tasks for the 1st form

1. Together reading a book check for what professions Kika Mika was interested and what she wanted to become.
 2. Together with teachers check and discuss what do people do working in these professions.
 3. Draw Kika Mika as she looks like in each profession she wanted to become.
 4. Play word games showing different professions (dumb show, charades...) and guessing what professions are these.
 5. Invite your parents to tell about their professions.
- * You may develop rules of procedure how to behave in the classroom, shop and theatre...
 - * Now your occupation is "a student". Discuss altogether what are your duties as "a student".
 - * You can design Kika Mika's house and its model in your classroom (using different materials: boxes, tins, paper, recycled products e.t.c.) .
